**HOW LONG HAVE YOU BEEN IN YOUR CURRENT POSITION?** 3.5 years in business, but a lifetime in organizing.

**WHAT DO YOU CONSIDER TO BE YOUR PROFESSIONAL INSPIRATION?** I'm inspired by my clients who have decided to start living lives they love,

enjoy, and have control over. Clutter and disorganization will no longer hold the control.

**DO YOU HAVE ANY PROFESSIONAL ADVICE FOR OUR READERS?** Do what you love. Follow your heart and instincts. When you do what you love it's no longer called 'work,' it's called 'living with purpose' and it's a glorious feeling.

**WHAT'S YOUR LONG-TERM PROFESSIONAL GOAL?** My long-term professional goal is to continue helping as many individuals live with purpose and regain a sense of order in their lives.
